

Tea Selection

English Breakfast Tea

A robust and malty black tea, which is a delicious combination of Assam and Ceylon teas, carefully blended to create a full-bodied, strong cup of breakfast tea. A dark copper cup, with a hearty flavour, ideally taken with milk.

Earl Grey

Early Grey is one of the most widely drunk teas in the world and its distinct flavour is a result of combining high quality Chinese black tea and oil of bergamot. A beautifully scented tea with bold citrus flavours, embodying the finest English tea.

Lung Ching

Also known as 'Dragonwell', this is one of the most famous Chinese green teas worldwide, renowned for its quality and remarkable flavour. This medium bodied tea smoothly combines the classic green tea character, with sweet and slightly toasty notes.

Whole Leaf Peppermint

This premium whole leaf peppermint has mildly sweet undertones and a crisp, menthol freshness that can be enjoyed all day long. Peppermint is well known for being a fantastic digestive tonic and a stimulant for the mind and body.

Chamomile Flowers

These lovely flowers produce a golden cup with a creamy sweet infusion. Chamomile tea is an all-time favourite when it comes to calming the nerves, soothing irritability, and comforting the digestive system.

Orange Blossom

Refreshing and reminiscent of summer, this white tea blend captures the essence of ripe oranges, by infusing soft white and vibrant green tea leaves with essential oil and orange pieces.

Ceylon Decaffeinated Black Tea

A full-bodied Ceylon black tea with spicy undertones, which has retained its character by a flavour protecting CO2 decaffeination method. This tea is ideal for those who want to reduce caffeine in their diet.
